Numeracy Workshop for Parents

Dear Parents,

Have you ever tried to help your child with maths? Then you were told “That’s not how my teacher showed me to do it”. It can be frustrating because “that’s not how we did it when I went to school”.

We are offering a hands-on parent workshop that will demonstrate the numeracy strategies used in the classrooms from Kindergarten through to Year 6. The meeting will highlight the maths strategies used in Kindergarten and how they are developed into a variety of techniques as the children move into the higher grades.

This fun and engaging workshop will be held at school on Wednesday 7th March and will start at 6:00pm. It is anticipated that the workshop will run till 7:30pm. Tea, coffee and other refreshments will be provided. Staff will be available to supervise the children while you attend the workshop.

Please fill in the slip below and return it to the office by Monday 5th March 2012.

If you have any questions regarding this workshop, please contact Mrs Curcio on 9823 5111.

We look forward to seeing you on the night,

P. Curcio  K. de Falco
Numeracy Partner  Principal

Eldest in family

Yes No

I will be attending the Numeracy Workshop to be held at Edensor Park P.S. on Wednesday 7th March.
